We are pleased to invite you to attend our Webinar on 'A Tale of Three Cities: Abu Dhabi, Dubai and Hong Kong SAR'

Foreign Direct Investment between UAE and Greater China is growing exponentially and reached a record US\$20.7 billion last year, making UAE China's largest Middle East trading partner, much of it coming via Hong Kong SAR. But the legal system of UAE remains an enigma to many Hong Kong, Chinese and Asian companies.

Likewise, the relationship between Hong Kong SAR as a Common Law jurisdiction and China is opaque to many in the Middle East. 'A Tale of Three Cities: Abu Dhabi, Dubai and Hong Kong' will be presented by leading business and legal experts in all three cities and aims to provide much needed transparency and elucidation regarding the legal and business underpinnings that facilitate trade between these three great cities. If you are a lawyer, in-house counsel or a business person, you will find this Zoom Webinar essential viewing

*1.5 CPD points accreditation are being applied for from The Law Society of Hong Kong. This webinar has been approved by the DLAD and licensed Legal Consultants in the Emirate of Dubai may claim CLPD points for attendance.
